

# Play Cashflow 101

**Wednesday 15th October  
2003  
(6pm - 9.30pm)**

**The Jury's Montrose Hotel,  
Stillorgan Rd, Dublin 4.**

**Fee to play Cashflow 101-  
€25 per delegate attending.**

**Your first step on your path to financial freedom is to attend a Cashflow event and this what it will teach you:**

- The knowledge of how money works.
- How to face your future in a world that emphasises spending over acquiring assets.
- What the rich teach their kids about money.
- How to raise your financial intelligence quickly.
- How to increase your chances for financial freedom.
- The basics of real estate investing.
- How to create and maintain a passive income portfolio with multiple streams of income.
- How to turn your annual income into monthly income.

Cashflow 101 is one of the most innovative new educational products available that is designed for adults to expose you to the subject of accounting, investments and finance (part of the traditional MBA programmes) in a board game.

The game teaches financial intelligence - how to understand the game of money and investing (skills not taught in school) ... and makes learning fun!

You can now join like minded individuals and play the game. The Prosper Group will be setting up a number of Cashflow Clubs in different locations.

*So why should you develop your financial IQ?  
- because if you do you will  
**prosper** greatly"*
